

COLOUR DEPENDING SPECIAL CARDS

Cards of the **Troublemaker** Add-On

Swap colours!

Has to be played on one of either colour. Afterwards the round continues with the other colour.

Activate an event!

Draw and activate an Event Card.

Steal 2 cards!

Take a look at the cards of another player and steal two cards of your choosing.

COLOURLESS SPECIAL CARDS

Cards of the **Troublemaker** Add-On

Switch your Special Cards

Choose another player, with whom you switch all your Special Cards (cards without numbers). And/or wish for a colour.

(Except Black)

Get your cards drawn

Choose a player with fewer cards than you in his hands who has to draw as many cards from your hand until her / his number of cards is greater than yours.

And/or wish for a colour.

(Except Black)

Shields your from an event

Play this card when an Event Card is activated (but before it is revealed). You are now immune to the effect of that Event Card.

And/or wish for a colour.

(Except Black)

Become any Special Card

This card imitates any chosen Special Card. Announce the selected Special Card when you play Mimicry.

The Curse

This card is a curse. You can never play it. But you can give it away every chance you get, no matter if it's a gift or an exchange.
